When we say it's a Sportive with a difference we certainly aren't joking!

You will find this very different to most sportives that you have taken part in before. To start with we aren't asking you to get up so early you can barely open your eyes, we start in the afternoon. The main reason for this is for the fantastic atmosphere back at the finish in the early evening.

When you arrive and register, we simply ask you to sign in, just so we know you are riding, we don't issue rider numbers or timing chips - is time really that important?

The route is fully signed to a high standard as you would expect. Being an afternoon sportive and you are back at the end of the ride for Fish & Chips, we've kept the feed stop light.

Talking about when you get back, we ask you to sign back in so we know you've finished and we will then issue your food and drink vouchers.

Once the ride's over that's when the party starts, feel free to stay as long as you like and sample as many of the Wold Top Beers as you can manage..
